● CORE EXPERIENCE

- ◆ **Adopt & name** a tiny AI baby companion.
- ◆ **Care** through feeding, soothing, mini-games, outfits, memories, and milestones.
- ◆ **Talk** in a gentle, non-romantic companion space.
- ◆ **Return daily** for a ritual that feels soft, cute, and comforting.

● HOW TO FRAME IT

- ♥ Nurturing companion experience
- ♥ Virtual baby app for adults
- ♥ Cozy daily care ritual with memories and milestones
- ♥ Simulated companion — **not** a child, person, therapist, or medical product

● DIRECTORY-READY COPY

SHORT DESCRIPTION

Adopt a tiny AI baby, care for them through cozy daily rituals, and watch memories, personality, outfits, and milestones unfold over time. Aldorable is built for nurturing companionship — not romance, therapy, or productivity tracking.

TAGLINE

A tiny AI baby companion that grows through your care.

● SAFETY & PRIVACY LANGUAGE

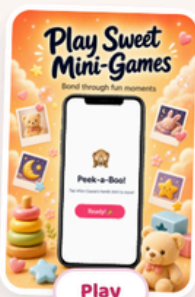

- ✓ **Not** an AI girlfriend, adult roleplay app, therapy replacement, medical tool, or child-directed AI.
- ✓ Aldorable does **not sell personal information**.
- ✓ Companion chats are **not used for third-party advertising**.
- ✓ AI-generated companion text is processed using Google Gemini as described in the Privacy Policy.
